

Find the listed words below hidden in this honeycomb.

Trace the letters in any direction: up, down, backwards, forwards etc.

Bees are super-efficient, so the words fit exactly into this honeycomb!
(We've done the first one for you!)

- HONEY ✓
- COMB
- QUEEN
- WORKERS
- DRONES
- BEEES
- NECTAR
- POLLEN
- SWARM
- WAX

Answers available from Melissa

A large honeycomb grid with letters hidden in it. The letters are arranged as follows:

H	N	E	B	O
O	E	S	R	M
Y	E	M	A	
P	L	L	N	B
O	L	E	W	
W	O	R	E	S
	A	N	S	
O	T	W	N	
E	R	O	E	
R	K	C	A	Q
S	E	R	E	
N	D	R	X	U

Blue arrows indicate the path for the word "HONEY": H (row 1, col 1) → O (row 2, col 1) → Y (row 3, col 1) → N (row 2, col 2) → E (row 3, col 2) → O (row 4, col 2) → Y (row 5, col 2).
